

## PRODUCT DATA SHEET

### CONTEX POWER STEERING FLUID

---

#### Product Description

**CONTEX POWER STEERING FLUID** is blended with high quality base stocks and a balanced additive system designed to provide enhanced wear protection reduced loud noise in all conditions and longer service life. It is a premium multipurpose power steering fluid for use in power steering units that specify conventional type automatic transmission fluids.

#### FEATURES & BENEFITS

**CONTEX POWER STEERING FLUID** delivers value through:

- Protection against pump wear
- Protection against rust, corrosion & oxidation
- Protection against deterioration of seals and hoses
- Reduces system leaks
- Long service through good thermal stability

#### APPLICATION

**CONTEX POWER STEERING FLUID** is designed for service re-fill or top-up in Australian, US, Japanese, European & Korean manufactured power steering units in cars and trucks that originally use an automatic transmission fluid such as: Alfa Romeo Daewoo Daihatsu Daimler Ford Eunos Holden Hyundai Jaguar Kia Lamborghini Lancia Lexus Lotus Maserati Mazda Mitsubishi MG Nissan Peugeot Porsche Proton Renault Rover Subaru Suzuki Toyota Triumph Volvo and Others.

Always refers to the manufacturer vehicle manual where Power Steering is recommended.

#### Performance Levels

- Chrysler MS-1872
- Ford M2C134-C
- Ford M2C134-D
- GM 9985010
- PS 11872

## Typical Properties:

Properties	Values
Colour	Red
Viscosity at 40 ° C	41.0
Viscosity at 100 ° C	7.7
Viscosity Index	155
Pour Point, ° C	-48
Viscosity, Brookfield, cP @ -40° C	31,450
Flash Point, ° C	210
